

Hydrowax gloss finish

Meoded Hydrowax is a soluble liquid wax, which enhances gloss finishes and acts as a sealer for both lime and acrylic based products. Hydrowax is made from a blend many different waxes, taking the best characteristics of each and blending them to make a superior quality liquid wax.

Hydrowax can be applied to almost any surface where a gloss finish is required and is particularly suitable as a finish coat for all Meoded Venetian plasters. Hydrowax is a waterproof finish that is breathable.

Hydrowax is a user friendly, high performance wax that provides ultimate protection, while its liquid state allows for the addition of colored pigments, metallic powders and other compatible fine art materials with ease.

We care about the environment, therefore .

Usage: For interior spaces only.

Composition:

- **Hydrowax** is made from a blend many different waxes, taking the best characteristics of each and blending them to make a superior quality liquid wax.

Colors: Hydrowax its clear product.

Coverage Guidelines: Hydrowax yields a high coverage rate. In most standard applications, one quart (1 kg /2 lb) of Hydrowax covers 300 to 400 square feet i Available in the following sizes:

One Quart = 1.0 kg (2.2 lbs.)

One Gallon = 4 kg (8.8 lbs)

Preparation:

Protection: Tape, mask and cover adjacent surfaces to protect them form splatter.

Application:

Hydrowax should be applied with a sponge, rag or spatula/wide putty knife in thin, even coats over an entire surface. It should be allowed to dry 5-10 minutes before being buffed to a high sheen using a clean rag or mechanical buffer. As Hydrowax may become too thin to apply properly in warm weather, it may be chilled for a short time for more optimal application. Hydrowax is ready to use, touch dry in 1 to 3 hours, and tools should be cleaned with warm, soapy water.

Technical Data Sheet Stucco Lamundo™

Product Warranty:

Meoded expressly warrants its products to be fit for the ordinary purpose for which they are intended for a period of five years from the date of installation when applied and used within one year of the date of purchase and in accordance with the manufacturer's written instructions.

Meoded Paints & Decoration™ reserves the right to inspect installations prior to resolving any claims made under this warranty. This limited warranty is exclusive and supercedes all other warranties: either written oral or otherwise implied. **Meoded** Paints & Decoration™ also excludes any liability for consequential damages.

Meoded's liability under this warranty is limited to the replacement of products found to be defective or refund to original purchaser, with proof of purchase.

Cleaning and Maintenance:

Cleaning: Use a dry cloth to remove dust and loose dirt from surfaces, then wipe them with a clean damp cloth as needed. Mild detergents or proprietary cleaning agents may also be used. Scrub gently or use a low-pressure water stream if necessary. Clean vertical surfaces moving upward from the bottom. Use a damp rag followed by a dry rag to remove any remaining cleaning agents. Find a small, inconspicuous portion of the surface to test cleaning products and methods before applying them to a wider area. Follow the manufacturer's package label instructions.

Blemishes: Some scuff marks, scratches and stains that resist normal cleaning techniques may respond to light sanding with 1000-grit sandpaper or the finest grade steel wool. Find a small, inconspicuous portion of the surface to test these techniques. Reapply sealer and/or wax to sanded areas as necessary.

Warning! This product may contain traces of chemicals known to the state of California to cause cancer and birth defects or other reproductive harm.
