Pearlas Velvet™

Suede Metallic Finish

Satin Finish

Meoded Pearlas Velvet™ is a decorative metallic faux finishing product for interior use that produces a look of soft suede metallic Venetian plaster. The look of velvet can also be described as velvet or silk fabric due to the rich, but soft finish the product creates. Pearlas Velvet™ is the ideal wall treatment for formal living and dining rooms, upscale boutiques, posh hotel lobbies, and other spaces where refined style and beauty is desired. Its tremendous depth of color allows Pearlas Velvet™ to exhibit two or more colors when reflected in various lights.

SURFACE PREPARATION

Pearlas Velvet™ can be applied on any interior wall space, as long as it is properly prepared and it is very smooth. The smoother the walls are made in preparation for Velvet will ensure a better overall finished texture.

PRIMING

- **New Drywall Surface** - Prime substrates with PVA acrylic primer and let it dry fully.
- **Existing Surface** - Any surface with sheen should be sanded lightly, cleaned and dust free. Then prime the surface with multi-purpose primer and let it dry fully.

Application Methods

Pearlas Velvet™ should be applied in two thin coats with a trowel. Variation of trowel strokes is recommended to make an organic look and to produce a look of shimmering Venetian plaster. One coat of Pearlas Velvet™ should be applied to the surface and let dry for at least one hour before applying the second coat. Apply material

in small amounts with a trowel with varied movement, and then use a clean trowel to make desired movement throughout the finish. These variations in application will produce matted and rich metallic reflections. If you feel the material is too heavy, you can dilute it with up to 10% water.

TINTING

Pearlas Velvet™ is available in White, Gold, Gun Metal bases from which custom colors can be created using universal colorants.

COVERAGE

Velvet covers between 200-250 sq. ft. with two coats per gallon
50-62.5 sq ft. with two coats per quart.

CLEANING

Pearlas Velvet™ is a washable product. Use a slightly damp smooth fiber cloth to gently wash any dirt, dust, or grim from the surface. Tools should be cleaned with warm soapy water immediately after use.

CAUTION

Do not ingest.
When sanding, make sure to wear a NIOSH approved breathing apparatus.

VOC

Material contains less than 50 grams per liter of Volatile Organic Compounds.

HEALTH & SAFETY

Avoid contact with eyes. Gloves are recommended, and wash hands after use. Do not take internally. When spraying or sanding, wear an appropriate, properly fitted, NIOSH-approved respirator during and after use. Follow the respirator manufacturer's direction for respirator use.

Keep Out of Reach of Children

WARNING!

If you scrape, sand, or remove old paint, you may release lead dust. Lead is toxic. Exposure to Lead Dust can cause serious illness such as brain damage, especially in children. Pregnant women should also avoid exposure. Wear NIOSH-approved respirator to control lead exposure. Clean up carefully with a HEPA vacuum and a wet mop. Before you start, find out how to protect yourself and your family by contacting the National Lead Information Hotline at 1-800-424-LEAD or log on to www.epa.gov/lead.

WARRANTY

Meoded Paints & Decoration™ warrants its products for the purpose in which they were intended for, when applied and used in accordance with manufacturer's instructions within 10 months of production date. Warranty period of Meoded's products is 5 years from the date of installation. **Meoded Paints & Decoration™** reserves the right to inspect installations prior to resolving any claims made under this warranty. This limited warranty is exclusive and in lieu of all other warranties; either written, oral or otherwise implied. **Meoded Paints & Decoration™** also excludes any liability for consequential damages. Meoded's liability under this warranty is limited to the replacement of products found to be defective or refund to the original purchaser, with proof of purchase.

TECHNICAL SERVICES & SUPPORT

Meoded provides customers with any level of assistance that may need to gain full value from our products. Designers can call upon our professional staff to match colors or create new colors for custom installations. We're ready to provide color charts and sample boards for texture evaluations and comparisons. Installers can call upon our master craftsman for advice and guidance at every step of the installation process. If you have any questions whatsoever,

our enthusiastic and courteous staff will provide the support you need to experience the **Pearlas Velvet™** advantage. Every Meoded product comes with instructions that are more than adequate to guide any finish contractor or homeowner to a successful installation. In addition, we offer professional seminars for applicators of all skill and experience levels. We teach everything from the basic installation steps to tips and techniques for artists and artisans. You can also find a detailed YouTube video for application tips.
