## Velature™ Glaze

*The Ultimate Clear Color Wash  
For Decorative Plasters*

**Velature™** is a premium-quality, water-dilutable, 100% acrylic, clear flat color wash. **Velature™** is specially formulated to accept tints and to absorb into the Meoded interior and exterior decorative plasters, leaving the project with color but without luster or shine. **Velature™** is formulated with the highest levels of UV absorbers and inhibitors, shielding your project for years.

### TINTING AND DILUTING

The **Velature™** can be tinted with universal colorants. Tint to the desired color, and then dilute 800% to 1,000% with water (1 part glaze to 8-10 parts water). Use light colors for these initial, sealer coats. Use darker colors on later coats to give a deeper, more aged appearance to your project. (Please see the instructions for the individual plasters for more detailed use.)

### APPLICATION

Once tinted and diluted, the **Velature™** can be applied in many ways, depending on the texture of the surface. Typically, a sponge application is the most effective. Apply starting at the bottom of the wall, moving upwards.

### CONTAINERS

**Velature™** is available in 1-quart and 1-gallon containers.

### COVERAGE

Due to the type of application method and diluting,  
(1) Quart will cover anywhere from 100-300 sq. ft.

(1) Gallon will cover anywhere from 400 to 1200 sq. ft.

This can vary greatly depending on how much you dilute the glaze and due to the different porosities and textures of the individual plasters.

### HANDLING

DO NOT FREEZE! If the product becomes frozen, allow it to thaw at room temperature for eight (8) hours, and then gently stir the product before using. Clean up spatters and spills properly when emptied. Clean all equipment with warm, soapy water. Dispose of unused product in accordance with all Federal, State, and Local regulations.

### CAUTION!

Keep out of reach of children. Do not take it internally. Use only with adequate ventilation. Avoid contact with eyes; rinse thoroughly with water for 15 minutes and seek medical help. Avoid prolonged and repeated contact with skin. This product contains traces of chemicals known to the State of California to cause cancer and birth defects or other reproductive harm. Velature, less water, contains less than 50 grams per liter Volatile Organic Compounds.

### WARNING!

If you scrape, sand, or remove old paint, you may release lead dust. Lead is toxic. Exposure to Lead Dust can cause serious illness such as brain damage, especially in children. Pregnant women should also avoid exposure. Wear NIOSH-approved respirator to control lead exposure. Clean up carefully with a HEPA vacuum and a wet mop. Before you start, find out how to protect yourself and your family by contacting the National Lead Information Hotline at 1-800-424-LEAD or log on to [www.epa.gov/lead](http://www.epa.gov/lead).

## WARRANTY

**Meoded Paints & Decoration™** warrants its products for the purpose in which they were intended for, when applied and used in accordance with manufacturer's instructions within 10 months of production date. Warranty period of Meoded's products is 5 years from the date of installation. **Meoded Paints & Decoration™** reserves the right to inspect installations prior to resolving any claims made under this warranty. This limited warranty is exclusive and in lieu of all other warranties; either written, oral or otherwise implied. **Meoded Paints & Decoration™** also excludes any liability for consequential damages. Meoded's liability under this warranty is limited to the replacement of products found to be defective or refund to the original purchaser, with proof of purchase.

## TECHNICAL SERVICES & SUPPORT

Meoded provides customers with any level of assistance that may need to gain full value from our products. Designers can call upon our professional staff to match colors or create new colors for custom installations. We're ready to provide color charts and sample boards for texture evaluations and comparisons. Installers can call upon our master craftsman for advice and guidance at every step of the installation process. If you have any questions whatsoever, our enthusiastic and courteous staff will provide the support you need to experience the **Velature™** advantage.

Every Meoded product comes with instructions that are more than adequate to guide any finish contractor or homeowner to a successful installation. In addition, we offer professional seminars for applicators of all skill and experience levels. We teach everything from the basic installation steps to tips and techniques for artists and artisans.
