## Cassiopeia™

### *Glass Sparkle Finish*

*Acrylic Base/Polycarbonate Flakes*

*Low VOC / Eco-Friendly*

**Cassiopeia™** is clear polycarbonate flakes sprayed over a heavy-bodied acrylic base. The Cassiopeia system is composed of Cassiopeia Base which serves as the bonding agent, and a mixture of clear glass flakes and colored glitters which are sprayed over it. Cassiopeia finish offers an innovative effect which creates an illusion of space, light and colors.

### SIZE AND COVERAGE

One Cassiopeia Base Gallon (10lbs.) covers approximately 90-100 sq. ft. for two coats of material; depending on surface and texture. One Cassiopeia Flakes Gallon (10lbs.) covers approximately 100 sq. ft.  
Ratio- 1:1 Base:Flakes

### COLORS

**Cassiopeia™** can be tinted to almost any color using universal tints or machine colorants.

### APPLICATION TOOLS

A delicate roller, a thick roller, and a compressor sprayer with a nozzle at least 4mm wide are required. A hopper sprayer is recommended.

### VOC

Material contains less than 50 grams per liter of Volatile Organic Compounds.

### PREPARATION

Masking - Tape, mask and cover adjacent surfaces to protect them from splatter.

### APPLICATION METHOD

- Apply one coat of **Cassiopeia™** Base with a delicate roller and wait until fully cured.
- Apply a second coat of **Cassiopeia™** Base with a thicker roller. Thickness should be even throughout the whole wall.
- When the substrate is still wet and tacky, spray the glass flakes and glitter on the wall until a complete and uniform appearance is obtained.
- After the wall is dry, go over it with a brush and remove any loose or flaking particles.
- It is recommended to have two applicators when applying Cassiopeia to assure the base coat doesn't dry a bit before spraying the glass flakes.
- Recommended to apply in approximately 6-8 sq. ft. sections, always keeping a wet edge.

### LIGHTING

Lighting plays a vital effect in the final appearance. For a stunning appearance, we advise using spotlight illumination at a distance of 8-10 feet.

### CLEAN UP

Remove temporary protection, such as masking tape and covers. Clean up spills and splatters using methods that will not damage the surfaces.

### HEALTH & SAFETY

Avoid contact with eyes. Protection glasses and gloves are recommended. Wash hands after use. Do not take internally. When spraying or sanding, wear an appropriate, properly fitted, NIOSH approved respirator during and after use. Follow the respirator manufacturer's direction for respirator use.

**Keep Out of Reach of Children**

Manufactured by Meoded Paints & Decoration

be defective or refund to the original purchaser, with proof of purchase.

## DELIVERY, STORAGE AND HANDLING

Keep materials away from direct sunlight. Store them in original, unopened packages in a dry, dark location at temperatures between 45°F-95°F. Always wear OSHA-compliant eye protection. Wear a respirator to sand or scrape the product. Work only in well-ventilated areas. Avoid prolonged skin contact. Avoid working with the material in temperatures below 45°F or above 95°F. Keep away from children. Do not use products older than one year. Read the entire SDS and product labels.

## APPEARANCE TOLERANCES

The application and field conditions may alter the product's appearance. Colors and textures displayed on color cards and product samples are approximate, not exact. Contractors should prepare mock-ups and/or samples to display the actual materials and workmanship prior to final approval.

## AVAILABILITY

Meoded products are sold through the company's network of distributors throughout the United States. Contact Meoded or visit our website [www.meodedPaint.com](http://www.meodedPaint.com) for referrals to local sources.

## WARRANTY

**Meoded Paints & Decoration™** warrants its products for the purpose in which they were intended for, when applied and used in accordance with manufacturer's instructions within 10 months of production date. Warranty period of Meoded's products is 5 years from the date of installation. **Meoded Paints & Decoration™** reserves the right to inspect installations prior to resolving any claims made under this warranty. This limited warranty is exclusive and in lieu of all other warranties; either written, oral or otherwise implied. **Meoded Paints & Decoration™** excludes any liability for consequential damages. Meoded's liability under this warranty is limited to the replacement of products found to

## CLEANING AND MAINTENANCE

Use a dry cloth to remove dust and loose dirt from surfaces, then wipe them with a clean damp cloth as needed. Mild detergents or proprietary cleaning agents may also be used. Scrub gently or use a low-pressure water stream if necessary. Solvents such as acetone or mineral spirits can also be used, provided proper safety procedures are observed. Clean vertical surfaces moving upward from the bottom. Use a damp rag followed by a dry rag to remove any remaining cleaning agents. Find a small, inconspicuous portion of the surface to test cleaning products and methods before applying them to a wider area. Follow the manufacturer's package label instructions.

## WARNING!

This product may contain traces of chemicals known to the state of California to cause cancer and birth defects or other reproductive harm.

## TECHNICAL SERVICES & SUPPORT

Meoded provides customers with any level of assistance that may need to gain full value from our products. Designers can call upon our professional staff to match colors or create new colors for custom installations. We're ready to provide color charts and sample boards for texture evaluations and comparisons. Installers can call upon our master craftsman for advice and guidance at every step of the installation process. If you have any questions whatsoever, our enthusiastic and courteous staff will provide the support you need to experience the **Cassiopeia™** advantage. Every Meoded product comes with instructions that are more than adequate to guide any finished contractor or homeowner to a successful installation. In addition, we offer professional seminars for applicators of all skill and experience levels. We teach everything from the basic installation steps to tips and techniques for artists and artisans.
